A Message from the Chief

Chief Manuel Borrego

On behalf of the men and women of the Wichita Falls Police Department, we want to thank our citizens for your continued support and confidence in our ability as a police department to provide you with professional and competent police services. Your police department continually strives to deliver professional policing excellence to you and we are committed to our primary mission of protecting our community as a whole.

The Wichita Falls Police Department's 2014 Annual Report is submitted for your review. This annual report highlights the different strategies and various programs we've used to ensure the safety and protection of our citizens and neighborhoods. We have been successful in reducing crime overall in the community through our continued partnership with our citizens using social media and innovative police technology. We continue to evaluate our programs and practices to ensure sustained effectiveness and operational efficiency of our police department.

The police department attributes many of our successes in 2014 to communication with our community through improved social as Facebook, Twitter, WFPDNow.com, public safety videos, and the continued on the path of crime reduction in our city through use of Policing strategies, proactive policing, citizen involvement, and

Please take the time to review the Wichita Falls Police Department's 2014 Annual Report which presents an overall assessment of your police department. In closing I want to thank the citizens of Wichita Falls for allowing us the opportunity to serve and protect the citizens of our community.

increased media opportunities such as Nixle program. We have our Intelligence Led intelligence gathering.

TPCA Recognized Since December 2012

Office of the Chief of Police

The Office of the Chief of Police has the ultimate responsibility for the management and administration of the Wichita Falls Police Department. This office coordinates the Police Department's activities with other city departments through administrative direction of the City Manager.

This office insures the efficient operation of the Police Department through planning, organizing and directing its activities. This direction assures law and order is maintained and other measures are implemented to prevent crimes and to protect the lives and property of the citizens and visitors to the City of Wichita Falls. Some of the duties involve consulting with other public safety officials in developing plans and policies to be followed in conducting operations involving joint concerns and activities. The Police Department's policies, rules and regulations are interpreted and applied from the Office of the Chief of Police.

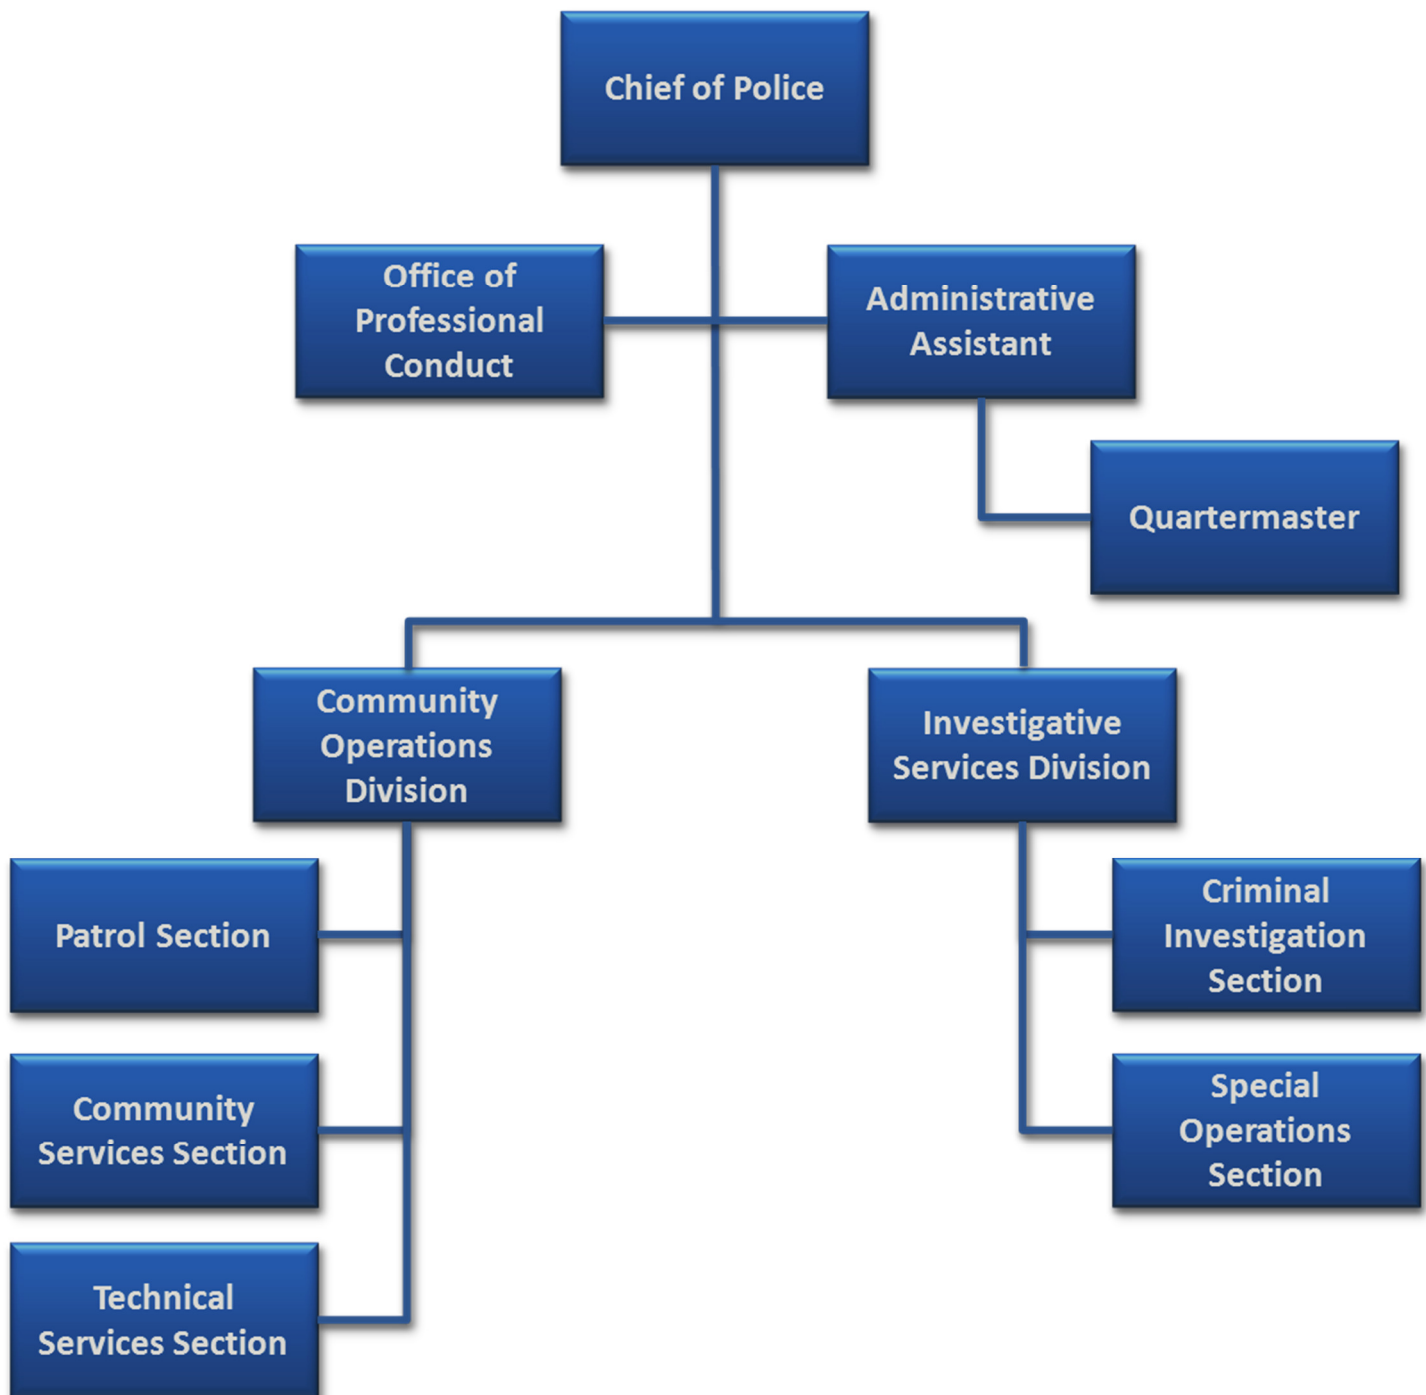

The Community Operations Division, the Investigative Services Division, and the Office of Professional Conduct report directly to the Chief of Police. These two divisions are responsible for organizing and directing the personnel under their commands. The Community Operations Division is responsible for the uniformed services such as patrol, traffic enforcement, and community services. Responsibility also includes the civilian/administrative functions of our department; records management, communications, property and evidence. The Investigative Services Division is responsible for the Criminal Investigation Section to include Crimes against Person unit, Crimes against Property unit, Misdemeanor unit, Juvenile unit, Financial Crimes unit, and Crime Scene Technicians. This division is also responsible for the special operations units such as; Gang Task Force, Tactical unit, Organized Crime Unit, and the SWAT team. The Office of Professional Conduct investigates allegations of officer/employee misconduct at the discretion of the Chief of Police.

Accomplishments of note for 2014 include: The Department made a major upgrade of the CAD and Mobile Dispatching systems improving our dispatching capabilities and effectiveness. 2014 also saw a sustained reduction in property crimes through improved proactive policing initiatives and community involvement with our department social media forums.

W.F.P.D. Mission Statement

The mission of the Wichita Falls Police Department is to help preserve a better quality of life through a partnership with the citizens based on unbiased law enforcement and a desire to serve.

Wichita Falls Police Department Organizational Structure

Administrative Assistant

The Administrative Assistant is primarily responsible for the preparation of the department's annual budget. The budget and all department accounts are closely monitored and adjusted to keep the department within budget constraints. This office is also responsible for the leave accounting of all personnel and the Department's payroll records.

Office of Professional Conduct

When requested by the Chief of Police, the Office of Professional Conduct will thoroughly investigate complaints and submit written reports to the Chief. These investigations may be categorized as either Class "A" or Class "B" investigations. Class "A" investigations are the more serious types and are investigated by the Office of Professional Conduct. Class "B" investigations are investigated by the employee's supervisor and are reviewed by the chain of command.

Findings:

- **SUSTAINED:** Evidence tends to support the allegation of misconduct.
- **NOT SUSTAINED:** There is insufficient evidence to either prove or disprove the allegation of misconduct.
- **UNFOUNDED:** Evidence tends to disprove the allegation of misconduct.
- **EXONERATED:** The evidence tends to support factual occurrence, but conduct does not appear to be improper.
- **POLICY/TRAINING ISSUES:** The evidence tends to support a finding of improper action, which may or may not have been consistent with policy. May indicate a need for training rather than disciplinary action.

A total of 33 case numbers were issued in 2014. Of these 33 case numbers, 15 of them were Class "A" or "Formal Investigations". 18 of these were Class "B" or "Informal Investigations". In addition, the Office of Professional Conduct initiated 6 "Investigative Reviews".

Initial Investigations

This is the number of cases based on the initial contact with the offender/suspect/victim, for example, on a Traffic Stop or a Call for Service. An internal charge is an internal complaint filed within the Department either by a supervisor or another employee. Work environment complaints are about the specific environmental issues such as employee conflicts.

Community Operations Division

Deputy Chief Guy Gilmore

The Community Operations Division Deputy Chief is an appointed position and is responsible for commanding the Community Operations Division of the Police Department. If directed to do so, he acts for the Chief of Police during his absence. The Community Operations Division consists of Patrol, Community Services and Technical Services. Two Captains under this division report to the Deputy Chief. One Captain is over Patrol and one Captain is over Community Services and Technical Services.

The Patrol Section's primary responsibility is to protect and serve the citizens of the community in an immediate and constant manner by responding to calls for service. This is by far the largest section of the Department, and the only one manned by officers around the clock. Almost half of the Department's police officers are assigned to Patrol. The Patrol section has two 12 hour shifts designed to put the maximum number of officers on the street at any time. The uniformed officers of the Patrol Section are the public's most commonly perceived symbol of the Police Department due to their daily interaction with citizens. SCUBA is also under the direction of the Patrol Section.

The Community Services Section is composed of the Crime Free Unit, DARE, Public Information Officer, Volunteer Police Chaplains, Volunteers in Policing, Student Interns, and Sentinels. Community Services is also responsible for the Neighborhood Watch Program and the Citizens' Police Academy.

The Professional Standards Section is responsible for Grant Management, Planning and Research, Departmental General Orders, Crime Analysis and Statistics, Intelligence, and Crime Stoppers. The Intelligence unit's primary responsibility is to facilitate the collection and dissemination of criminal intelligence information and make it available to the different components of the police department.

The Traffic Section is made up of the Motorcycle Unit which specifically enforces traffic laws, and Accident Investigators who conduct both on-site and follow-up investigations of vehicle crashes.

The Training Section is responsible for the Department's in-service training, maintaining records of all officers' training, and ensuring compliance with TCOLE training standards. This unit is also responsible for managing a Certified Police Officer Training Academy and a Dispatch Academy for employees of the Communications Section.

Technical Services is composed of the Communications Section, Records Section, and the Property/Impound Section.

The Communications Section handles all 911 emergency calls and non-emergency calls. This section has the dispatch responsibility for the Police Department, the Fire Department, and the Wichita County Sheriff's Office. The Communications Section also handles weekend and after hours dispatching for other city departments, and AMR ambulance dispatch calls.

The Records Section is the repository for all police reports. The Records Section provides police reports to citizens, handles record expunctions and assists officers and investigators. The Front Desk is part of the Records Section and provides 24/7 service to citizens by taking police reports from walk-ins or by telephone.

The Property/Impound Section handles, stores, and inventories all property, vehicles, and evidentiary items turned in by police.

Patrol Section

The Patrol section consists of two shifts deployed across the city to provide 24 hours per day 7 days per week operation. The two shifts are broken down into two platoons per shift for a total of four platoons. The shifts work 12 hours each with an overlap between shifts to provide continual police coverage.

The Patrol Section continued the initiative of increasing the proactive stance of beat officers.

Officers evaluate certain measurable crime statistics through ATACRAIDs, maintain increased beat awareness, continue to scrutinize suspicious activity, and focus on a pointed attempt to suppress criminal activity pre-commission. Results from these actions continue to be positive, and there have been notable arrests made resulting from focused vigilance. Staffing numbers have remained stable and at this point each shift is able to deploy officers each day who are solely dedicated to the proactive patrol of “hot spots” within the city insofar as property crimes are concerned. The continued and active use of the intelligence blog has resulted in an increased awareness among the entire department of illegal activity, suspicious persons, known criminal hang outs and current crime trends. All this information has added to the patrol officer on the street being more effective in their role in this crime fighting team.

The FTO program continues to be successful in providing the finishing touches to the excellent training program in place here within our department.

Eight (8) new police vehicles were added to the marked fleet this year. Those vehicles continue to be the newly designed Ford Interceptor SUV. This vehicle gives improved interior room for the officer along with improved handling capabilities. Additionally, new vehicles and continued proper care of current vehicles has allowed the marked fleet to progress to a point where fewer new cars are required at this time. This has allowed all officers to have vehicles with much lower miles and in much better condition so they have a more reliable, comfortable and safer vehicle. Additionally, this fiscal stewardship has resulted in savings for the citizens.

The air card-based Mobile Data System is continuing to operate as envisioned in the field. This system has allowed officers the ability to see any and all information about names, vehicles and locations at any time with minimal effort. 2014 saw the improvement of the system due to an upgrade in both the CAD (dispatch) and MPS (mobile) components. Due to this connectivity and the continued use of the intelligence blog numerous arrests have resulted as well as a decrease in overall property crime within the city again this year. Additionally, this upgrade included the replacement of all laptops. These new laptops had an upgrade to a 4G/LTE system which further improved the connectivity ability.

Eleven (11) new officers graduated the police academy and filled vacant positions within the ranks of Patrol during 2014. These officers were all placed onto shifts and have brought the numbers of officers to a level where the previously mentioned directed patrols can occur on a daily basis. 2014 also saw the addition of 3 new officers via a lateral entry system for current Texas peace officers. While a small number, this filled vacant positions with a minimal amount of training time compared to the standard academy/FTO combination.

Personnel Assigned to Patrol Section:

Patrol is comprised of 1 Captain, 2 Lieutenants, 12 Sergeants and 79 Officers. The section is broken down into 2 twelve hour shifts for 24-hour operation. Their deployment is constantly re-evaluated so that their assigned hours meet the needs of the community.

*Officers have the option to wear the
Quasiquicentennial (125th) Anniversary
badges during 2015*

Community Services Section

A Captain commands the Community Services Section and the Technical Services Section. The Community Operations consists of Traffic, Strategic Planning and Research, Intelligence, Crime Free, D.A.R.E., Crime Stoppers, Crime Prevention, Sentinels, Citizen's Police Academy, Volunteer Police Chaplains and Department Training, The Technical Services Section consists of Communications, Impound, Property and Evidence and Records.

Community Services and Technical Services are staffed by:

Traffic Unit

The Traffic Unit includes the Motorcycle component, the On-site Crash Investigation component and the Follow-up Crash Investigation component. The objectives of the police motorcycles are to reduce the number of traffic crashes by the use of selective traffic enforcement and to have a force that is highly mobile and flexible enough to respond to the special traffic and/or police investigations that are required. Examples include parades, escort service for visiting dignitaries, or any other special operation.

The Crash Investigation component is responsible for investigating crashes with an emphasis placed on major traffic crashes involving serious injuries and/or death. The Follow-up Investigators will continue the process of the investigation. Their responsibilities will be to collect evidence, prepare formal reports and prosecution reports in order that appropriate charges may be filed in the case.

The Traffic Unit motorcycle fleet is composed of Kawasaki ZG1400 and BMW 1200 RTP police motorcycles. The city participated in the Click It or Ticket and the TxDOT Comprehensive STEP (Selective Traffic Enforcement Program) Grant campaigns in 2014. Overtime for these programs were reimbursed through grant dollars. The motorcycle unit also participated in the City Step Program this year that ran from March through December. A total of 3,368 man hours produced 7,824 citations. The majority of the citations were for speeding (4,158). Intersection violations (1,157) and seatbelt violations (1,285) were also included in the citation count. The motorcycle component was used for special assignments such as Hotter-n-Hell Hundred, Falls Fest, and other events as needed. The Traffic Unit will once again be detailed to retail area-directed patrol during the heavy Christmas shopping season, which we expect will significantly impact vehicle burglaries in the target areas.

Professional Standards Unit

The Professional Standards Unit is composed of five components that serve the Department in a variety of ways. The components are identified as Grant Management, Strategic Planning and Research, Crime Analysis and Statistics, Criminal Intelligence and Crime Stoppers. The mission of the Professional Standards Unit is to support the planning and execution of the Departments law enforcement operations and investigations.

The Professional Standards Grant Management component of the unit applies for various grants for departmental projects which are not within the budget. The Wichita Falls Police Department applied for grants from the Edward Byrne Memorial Justice Assistance Grant (JAG) programs and the Bullet Proof Vest Partnership program.

The 2014 JAG grant allowed the Department to purchase needed office equipment, updated computer software, tactical equipment for SWAT, Tasers for Patrol, moving radar for Traffic Unit and SCUBA communication systems. The Police Department was allocated \$21,196.00 for equipment purchases.

Grant Management applied for a grant through the Bullet Proof Vest Partnership program. The Department and Cities throughout the nation with a population greater than 100,000 were denied funding through this program. The program elected to assist Law Enforcement in smaller cities, with this grant, for this funding cycle.

The Professional Standards Strategic Planning and Research component of the unit helped the Department received "Recognized Status" from Texas Best on December 31, 2012. Being "Recognized" means that the agency has proven to independent assessors that it meets or exceeds all of the identified Best Practices for Texas Law Enforcement. The Texas Best Law Enforcement Recognition Program is a voluntary accreditation process where law enforcement agencies in Texas prove their compliance with 166 Texas Law Enforcement Best Practices. These Best Practices were carefully developed by Texas Law Enforcement professionals to assist agencies in the efficient and effective delivery of service, improve officer safety, the reduction of risk, and the protection of individual's rights.

Strategic Planning and Research is charged with maintaining departmental compliance with the standards established by Texas Best. Strategic Planning and Research also completes annual reports required by Texas Best. These reports include an overall annual report, an Accident/Injury analysis report, a Use of Force Report, a Vehicle Pursuit analysis report, and a Property Room annual inventory report. The Wichita Falls Police Department is currently in compliance with the standards set forth by Texas Best.

Strategic Planning and Research is charged with maintaining the General Orders which contain the administrative policies of the Police Department. Policies are reviewed, amended, and added to the General Orders as needed. This component also provides information, research, and statistics that are utilized by the Department, area Law Enforcement, and the citizens of Wichita Falls.

The Professional Standards Crime Analysis and Statistics component of this unit is responsible for gathering or collating, analyzing recorded/reported information and disseminating it to department units and law enforcement agencies concerning types of crime, identified criminals and known or suspected criminal groups. 26 Intelligence briefings were provided during 2014 that provided an in-depth understanding of the complex matrix of criminal activity throughout the City. An online source of crime analysis, called Raidsonline, was made available to the public in 2012 and continued to be utilized in 2014.

The Professional Standards Criminal Intelligence component of this unit continues to provide multi-level intelligence dissemination to all sections on a timely basis. Criminal intelligence is developed by using surveillance, informants, interrogation, and research, or may be picked up on the "street" by individual police officers. This information is analyzed and prioritized and provided to all units on the internal intelligence website. This site helps to provide real time communication throughout the department and has been instrumental in the identification of offenders in a short period of time. Some offenders have been identified in a matter of minutes by Officers viewing photographs or video included on the intelligence site. The Intelligence Officer is also proactive working alongside patrol officers and other officers of specialized units. The Intelligence officer also works cooperatively with federal law enforcement agencies as well as other departments and groups such as the Texas and Oklahoma Investigators Group.

Wichita Falls Crime Stoppers, Inc. continues to provide outstanding support to the community. It is composed of 2 Police Officers, a secretary and a civilian Board, who manages the program. Crime Stoppers, Inc. serves Archer, Clay and Wichita Counties. The Campus Crime Stopper Program includes; Archer City ISD, Burkburnett ISD, City View ISD, Electra ISD, Henrietta ISD, Holliday ISD, Iowa Park ISD, Wichita Falls ISD, Windthorst ISD and Midwestern State University.

Community Services Unit

The Community Services Section is responsible for Crime Prevention, Crime Free programs, Drug Awareness Resistance Education (D.A.R.E.), Neighborhood Watch Groups, Volunteer Police Chaplains, Sentinels, MSU Intern Program, website management, social media, Citizens Police Academy and the Public Information Office. The Officers of the individual units have worked as a team to introduce and promote innovative techniques including “cold case” re-enactments and the City’s new Crime Free concept.

The Community Services Section coordinates community policing initiatives and enhances the relationship with the community. CSS partners with community sponsors to provide Christmas presents and a Santa Claus visit to the Children’s Home. The Section supplements all other areas of the Department on special events like Hotter’n Hell Hundred, Falls Fest and fireworks displays.

The Public Information Officer has established a good relationship with the media of the community. The Wichita Falls Police Department has one Sergeant and two Officers certified as Public Information Officers.

Crime Free Programs

The Crime Free training programs are among the most widely used in the city's history. Since 2008, a continued reduction in crime can be traced, in part, to the Crime Free training for hotel/motel, small business, self-storage, multi-housing and family lifestyles. Three Crime Free instructors currently support the Patrol Section in its mission of providing a safe and secure environment for residents and visitors. The program is proving to be a huge success, resulting in a decrease in both criminal reports and arrests in area apartment communities. The Crime Free Business program continues to focus a targeted patrol on the business district downtown and the shopping district around the mall that is designed to identify and address any crime related issues that may arise in these areas. The Wichita Falls Police Department also serves as the Texas state training instructors to train other officers and agencies in all of these state of the art Crime Free programs.

The 2014 statistics for the Crime Free Multi Housing program reveal a reduction in reports by 65%, a reduction in arrests by 17% and a continued reduction in calls for service.

The Community Services Section participated in National Night Out 2014 with our local Neighborhood Watch Programs and Crime Free Multi-Housing Communities. NNO has proven to be an effective, inexpensive and enjoyable program to promote neighborhood spirit and police-community partnerships in our fight for safer communities. The Community Services Unit visited all participating Neighborhood Watch Parties on NNO. Plans are already being made for next year's event. In 2014 we began to promote Nextdoor.com, which is an online neighborhood program. Currently, with 70 different neighborhood groups, nextdoor.com will continue to be a tool pushed by the Department to further enhance communication between the Police and Public.

Lock, Take, and Hide, an on-going Community initiative to fight vehicle burglary, encourages our citizen's to LOCK their car, TAKE their keys, and HIDE their belongings. Since its inception, vehicle burglaries have decreased, especially among unlocked vehicles. The media has also been instrumental in the success of this program. Lock, Take, and Hide signs are now visible throughout the City with more being requested all the time.

The Wichita Falls Police Department's Community Services Section continues to utilize the most current forms of social media in order to more effectively communicate with and receive feedback from the community. The CSS maintains the Department's Facebook and Twitter accounts, as well as the WFPDNow.com website. The Facebook followers in 2014 increased from approximately 2800 to over 6,400.

Nixle is a Community Information Service built exclusively for secure and reliable communications between the WFPD and the citizens of Wichita Falls. Information, such as crime advisories and safety tips, is immediately available over their cell phone by text message, by email, and over the web. Unique subscribers have increased from approximately 1,700 in 2013 to over 2,700 in 2014.

Drug Abuse Resistance Education

DARE (Drug Abuse Resistance Education training program) teaches students the dangers of drug addiction, and discourages the use of illegal drugs by teaching the students to make informed decisions. In partnership with the Wichita Falls Independent School District, our two DARE officers teach the DARE curriculum, which also includes bullying and gang prevention to all 5th and 7th graders. These programs continually educate over 3,000 children each year. DARE Officers also conduct training and programs on a variety of drug and safety topics to parents, educators, administrators, and other adults. DARE Officers are also available for health and safety fairs, parades and other community events.

Crime Stoppers

Since its inception, in February of 1981, Wichita Falls Crime Stoppers, Inc. accounted for 4,521 arrests, 7,061 offenses cleared, and \$975,490 in rewards paid. Information received by Crime Stoppers has netted \$4,831,946 in stolen property recovered and over \$26,396,855.16 in narcotics seized. Crime Stoppers held their Campus Crime Stoppers Midwestern State University Moonlight Stampede against Drugs Campaign, the 19th Annual Golf Tournament and the 2nd Annual Crime Stoppers Cops & Robbers 5K Pursuit as fundraisers and public relations events.

Sentinels

The Sentinel program continues with 5 Civilian, part-time employees. The Sentinel program assists the City of Wichita Falls by responding to Community Property Patrol checks, abandoned vehicles, and handling of property and evidence reports. Sentinels also respond to City Code violations, writing We Can Fix It memos that help enable other City departments respond to city maintenance deficiencies. The Sentinels also deploy and maintain both the Department's radar trailer that monitors vehicle speeds at various locations throughout the city as well as operating the Automatic License Plate Reader.

Citizen's Police Academy

The Citizen Police Academy was first formed in 1999, and is dedicated to the education of the citizens of Wichita Falls on how their police department operates. The participants are provided hands on training on how the officers are trained and the challenges they face through a 12 week program. The academy graduated 2 classes totaling 70 people in 2014 and has graduated over 650 people since its inception. The Citizen Police Academy Association, made up of class alumni, has contributed several hundred volunteer hours as the Department has implemented the Volunteers In Police Service (VIPS) program. Total C.P.A.A. Donations to date is in excess of \$84,000.00. In 2014, our C.P.A.A. and City were chosen to host the Texas Citizen Police Academy Alumni Association's State Training Conference in 2018.

Volunteer Police Chaplains

The Volunteer Police Chaplains provide clerical assistance to officers having such a need as an individual, or in the performance of their duties. The chaplain program is a ministry to the officers of the Wichita Falls Police Department and to the citizens of the City of Wichita Falls. Their services are invaluable during times of critical incidents involving officers and citizens.

Training Unit

66th Police Academy

The 66th Academy started on January 13, 2014, and graduated on July 11, 2014. Fifteen recruits were hired for this academy and eleven successfully completed it.

67th (Lateral) Police Academy

Recruitment for the 67th Lateral Academy started in May 2014. Of eighteen applicants, three recruits completed the academy and graduated on December 5, 2014. This was the first lateral academy the department has offered since 2004.

68th Police Academy

The application process for the 68th Academy began in November 2014 and continued until January 2, 2015. The Civil Service Exam was held on January 10, 2015.

In-Service Training

The Training Unit began teaching courses for In-Service training to ensure all officers received their 40 hours of mandated training required by TCOLE every training cycle. The 40-hour in-Service training started in September 2014, and will continue through April 2015. Topics being covered during this training cycle are as follows:

- Arrest, Search, and Seizure Refresher (8 hours)
- CPR Refresher (4 hours)
- Self-Aid/Buddy Aid (2 hours)
- Community Service Topics (2 hours)
- Slow Speed Driving/Backing Course (8 hours)
- Fitness and Wellness/Assessment (4 hours)
- Basic Handcuffing Refresher (4 hours)
- Basic Handgun Refresher (4 hours)
- Target Discrimination (4 hours)

The Training Unit provided 71 courses for 1,012 officers and telecommunicators in 2014. Total number of training hours provided was 10,203. Several of these courses were TCOLE required courses needed for advancement to Intermediate, Advanced, and Master certifications.

Specialized courses hosted by the Training Unit during 2014 included:

- Analytic Interviewing
- Arresting Communication
- Basic Mobile Device Investigations
- Finding the Leader in You
- Excited Delirium Arrest Related Deaths
- What Now? Critical Incident
- Warrior's Edge

Telecommunicator Training

The Training Unit is also staffed with one civilian Telecommunicator Trainer who is responsible for training newly hired telecommunicators. The Training Unit provided two dispatch academy classes during 2014 and trained twelve new telecommunicators.

Telecommunicator Licensing

Beginning January 1, 2014, TCOLE required all dispatchers to earn their telecommunicator license within one year of being hired.

Alarm Permits

The Training Unit oversees the alarm permit program which includes billing, processing and enforcement. In 2007, the Community Operations Section and Public Information Office began an initiative to promote alarm registration in the City. Local media and the City's website provided information on the ordinance and how to renew or register an alarm. Since 2007, alarm permit compliance has increased approximately 25%.

Communications Unit

The Communications unit is staffed by Civilian Licensed Tele-communicators who are responsible for answering all 9-1-1 emergency and non-emergency calls for the City of Wichita Falls and Wichita County. This unit remains in constant communication with all police, fire and county units monitoring, relaying and transmitting calls for emergency services. Calls on 9-1-1 for medical services are received by this unit and referred to AMR for medical dispatch. The unit is also responsible for receiving, monitoring and dispatching calls for service after-hours, holidays and weekends for the water department. Calls after hours and holidays and weekends for other city departments are also handled by the unit.

The Communications unit is responsible for conducting monthly tornado siren test and occasional activations of the Code Red system to ensure the safety of the citizens of Wichita Falls during inclement weather situations.

The Communications unit maintains complete records of all communications transactions through computer functions, programs, and digital recording equipment. Confidential records and information used in criminal investigations and all related sources are obtained and processed by the Communications unit. This unit is a 24 hour a day, 7 days a week operation. Calls per year for service for the different organizations are as follows:

Calls for Service

Year/Dept	Police	Fire	Sheriff	Total /Yr.
2013	136,899	10,383	27,841	175,123
2014	145,698	11,430	27,796	184,924

Records Unit

Records Unit is responsible for maintaining and filing of the department's original documents and ensuring paper documentation is converted to digital images. The unit is also responsible for court ordered expunctions, processing requests for reports, running criminal history checks, and providing reports to other law enforcement agencies, court officials and various entities. Record Clerks are in charge of addressing citizen inquiries, along with assisting officers, investigators, other agencies and departments. Clerks also quality control information entered into various data bases used by the department.

The Front Desk is responsible for receiving public inquires and reports of criminal offenses not requiring the physical presence of a police officer. This includes missing person reports and entry of stolen property into the national data base (NCIC/TCIC). These reports are filed by the citizens either calling or responding directly to the Police Department. Front Desk Community Service Officers are tasked with documenting private lot impounds, visitor log, and various other duties. Their work assignments cover a full range of clerical duties to include a significant amount of data entry and retrieval.

TOTAL	103,266	88,932

*Reports/entries inputted by front desk clerks are included with Records Unit beginning in 2013.

The increase in CAD Call Input, Customer Service, and NCIC/TCIC Input is due to updates in criteria for information reported and citizen furnishing serial numbers when reporting property stolen. The decrease in Open Record Request is due to information now being available on-line. Patrol Checks are submitted on-line and no longer done by CSO's. Clearance Letters have been added to reflect the number of requests received for local background checks.

Property / Evidence Unit

This unit is responsible for the cataloging, storing, preservation and chain of custody for all evidence and property (including impounded vehicles, motorcycles, bicycles etc.) taken into the custody of the police department. The Evidence Technician assigned to this unit is also responsible for properly disposing of evidence, which is no longer needed as evidence for court.

Investigative Services Division

Deputy Chief R.W. Smith

The Investigative Services Deputy Chief is an appointed position and is responsible for command of the Investigative Services Division. If directed to do so, he acts for the Chief of Police during his absence. An Investigative Services Captain is also assigned to this Division, who answers to the Deputy Chief.

The Investigative Services Division is responsible for all follow-up criminal investigations of unsolved crimes reported in the field, and for investigation of special crimes. This division is traditionally known as a "plain clothes" division and is composed of the Criminal Investigation Section, the Organized Crime Unit, the Gang Task Force and the Tactical Services Unit. The Crime Scene Unit, the SWAT team and the Honor Guard are also components of the Investigative Services Division.

Criminal Investigation Section

The Criminal Investigation Section is responsible for the follow-up investigations of all felony arrests, all Part I Offenses and some Part II (misdemeanor) Offenses, where significant solvability factors exist.

The Criminal Investigation Section is composed of 5 investigation Units. These Units are Misdemeanor, Property Crimes, Juvenile, Crimes Against Persons, and Financial Crimes Unit. There are 5 sergeants and currently 29 officers within the unit. There are 7 civilian personnel headed by a Supervisor.

Crimes Against Persons Unit

The Crime Against Persons Unit is responsible for the investigation of felony cases such as homicide, robbery, sexual assaults, aggravated assaults and kidnapping. They also follow up on suicides and unattended deaths. The unit receives about 180 cases each month. The unit is normally staffed by six full time detectives. The case load for each detective is approximately 20 - 25 cases per month. One detective is assigned to "Cold Case" investigations in addition to regular cases. The sergeant of this unit also typically works selected cases to relieve case loads.

Property Crimes Unit

The Property Crimes Unit is currently staffed with one sergeant and seven detectives. One investigator is responsible for investigation of auto thefts and unauthorized use of motor vehicles. One investigator is responsible for the pawn/second-hand dealer detail. The five remaining detectives are responsible for the follow-up investigation of all burglaries, felony thefts and all other felony property crimes. The case load of the detectives is approximately 25 - 30 cases per detective, per month. Burglaries of all types have seen a decrease in 2014 thanks to interaction between the Property Crimes Unit and street-level components in accordance with the intelligence-led policing strategy. Burglary of vehicles remains a significant concern for the community however, these crimes often result in additional financial crimes such as identity theft, forgery and credit card abuse, as well as vehicle damage.

Misdemeanor Unit

The Misdemeanor Unit is responsible for follow-up investigations of Class A & B misdemeanors, which are the majority of cases reported to WFPD. The Misdemeanor Unit Sergeant generally reviews over 150 cases a week and assigns cases with leads or physical evidence for investigation. The Unit is normally staffed by five detectives who typically carry a heavy case load. Misdemeanor detectives are also responsible for providing complete case packets with evidence to the District Attorney's office for all misdemeanor arrests made by patrol. The misdemeanor unit also trains Patrol officers in the "on the job training" (OJT) program. Officers spend 60 days temporarily assigned to the unit, gaining invaluable experience doing follow-up investigations and case preparation.

Juvenile Unit

The Juvenile Unit is responsible for investigation of crimes against children, juvenile offenders and the tracking of sex offenders. This Unit investigates felony and misdemeanor crimes involving juveniles. The Unit is normally staffed by seven detectives and a Sergeant. Four investigators in this Unit work at Patsy's House Children's Advocacy Center, where they are part of a multi-disciplinary team along with CPS, the D.A.'s Office, and SANE nurses. Two investigators work crimes committed by juvenile offenders. The Unit also has an investigator that is responsible for tracking all registered sex offenders in the City. This unit also participates in the OJT program, training temporarily-assigned Patrol officers in investigative follow-up work specific to juvenile law, for a 60-day tenure.

Financial Crimes Unit

The Financial Crimes Unit is composed of four detectives and one sergeant. They investigate all manner of financial crimes such as identity theft, fraud, credit card abuse, embezzlement, counterfeiting, money laundering and computer crimes. The unit works hand-in-hand with federal agencies such as the Secret Service, Postal Inspection Service, and FBI. Two detectives are assigned to a Secret Service task force to assist in major cases. The case load of the detectives is approximately 15 - 20 cases per detective, per month. The unit strives to educate the public on identify theft and other fraud-related crimes by presenting programs throughout the year for different civic and public organizations.

Crime Scene Unit

The Crime Scene Unit consists of five (5) Crime Scene Technicians. Duties of the Crime Scene Unit include responding to crime scenes 24hrs a day 7days a week for crime scene documentation to include photographs, video, diagrams, collecting and packaging evidence, processing for latent prints, and fingerprint comparison. The crime scene technicians enter unknown latent prints in to the Texas Department of Public Safety Automated Fingerprint Identification System and the Federal Automated Fingerprint Identification System (AFIS). The CSU provides support to other city, county, state and federal law enforcement agencies within a two hour radius to include the FBI, ATF, and Texas DPS. The crime scene technicians also provide expert testimony in crime scene and fingerprint examination in Wichita County and the surrounding Counties and Federal Courts within a two hour radius. The crime scene technicians speak to the public and provide training to law enforcement officers and new crime scene technicians concerning forensics (fingerprints, crime scene processing and documentation). The crime scene technicians must also keep abreast of the latest scientific developments and court cases in the field of forensics to aid them on scene, in the lab and in the courts.

Special Operations Section

The Special Operations Section is composed of the Organized Crime Unit, the Tactical Unit and the Gang Task Force. Each of these units are uniquely specialized, but with similar and often overlapping responsibilities. Having these units under a single Special Operations umbrella allows for a unified effort and maximizes efficiency when the officers train and work together.

The Special Operations Section is responsible for gang suppression, gang intelligence, the execution of high-risk arrest/search warrants, SWAT assignments, narcotics, vice, drug search warrant, criminal intelligence, and a variety of specialized operations. This section also trains and coordinates the efforts of the police negotiators. The extensive training, ability to stay on a specific task for an extended period of time, and very flexible work schedule has allowed this unit to meet a tremendous need. The section also supplements other units of the department on an as-needed basis in special cases, supplies manpower for specialized events, and conducts undercover police operations. In 2014, SWAT had a total of 72 operations which included:

- 53 high risk Narcotic search warrants
- 6 high risk evidentiary search warrants
- 7 barricaded or suicidal subjects
- 3 assists of outside agencies with dangerous subjects
- 1 suspect with outstanding felony warrants
- 2 gun reversals involving convicted felons

SWAT Unit

Tactical Services Unit

The Tactical Unit is responsible for conducting surveillance and apprehending suspects involved in burglaries, thefts and other high profile crimes. When needed, the unit will assist other units in their investigations. The unit is supervised by a Sergeant. Since its inception the unit has made numerous felony arrests, recovered several stolen vehicles, stolen firearms, and recovered large amounts of other stolen property taken in burglary and theft cases. The unit targeted approximately 206 individuals resulting in 146 arrest for various offenses.

The main focus of the Tactical Unit over the past year has been identifying and apprehending prolific burglars and fences, and disrupting the methamphetamine trade. The unit continues to work closely with the Intelligence Unit and Crimes Against Property Unit in obtaining important information on targets.

Gang Unit

The Gang Unit is responsible for monitoring and interdiction of criminal street gangs and their Associates in our community. The unit is supervised by a Sergeant and was organized as a full time unit in 2007. The Unit works to identify, document and use interdiction techniques to keep street gangs from conducting criminal activities. The Unit is primarily tasked with enforcing court ordered gang injunctions that have resulted in the dramatic reduction of violent gang activities and discouraging members from association and interaction. Currently, the Wichita Falls Police Department has record of 19 identified gangs with a combined total of more than 400 members.

Gang membership is down due to gang injunctions and the ongoing effort of the Gang Unit. A new juvenile gang was identified in 2013 and the unit developed a plan to continually scrutinize the criminal activity of members and associates. By 2014, this juvenile gang slowly diminished, and now there have been no new reports of activity during the last quarter of 2014.

Not listed below in the statistical data are specialized tasks which include but are not limited to assisting OCU and Tactical units.

Wichita Falls Gang Injunctions

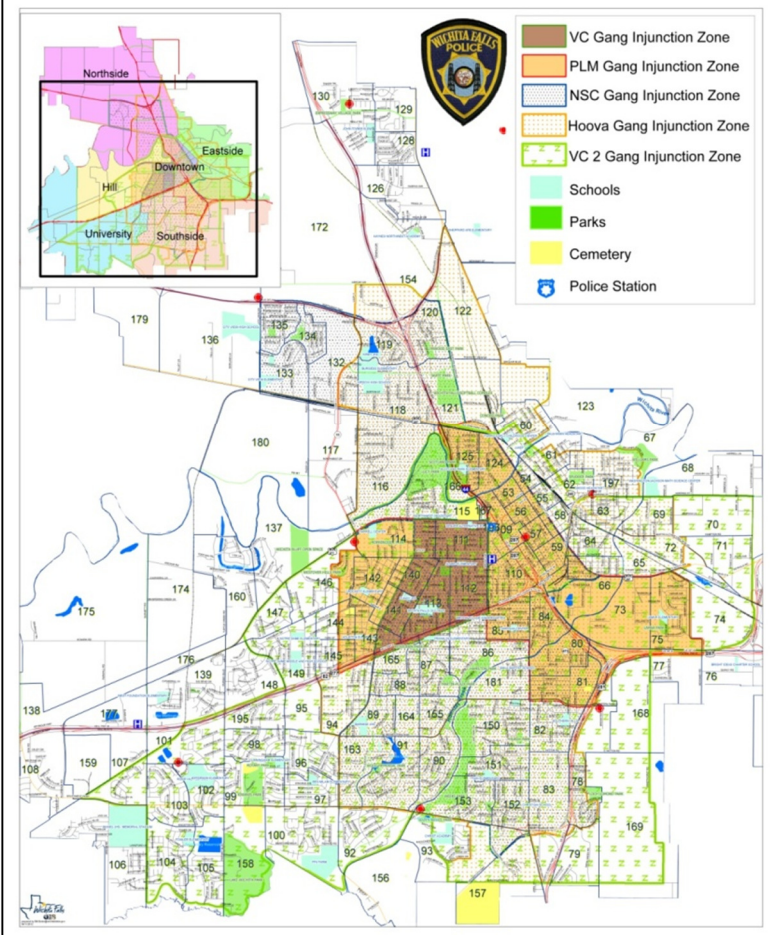

As of December 31, 2014, the City of Wichita Falls had five gang injunctions in operation.

Gang Injunctions have been upheld in the Texas court system, and a notable number of defendants have been taken off the street with the continued use of this tool. Crimes in the Reporting Districts that make up the five gang injunctions have been reduced nearly 40% since the Injunctions have taken effect.

The success of the Gang Injunction concept is due to the combined efforts of the City of Wichita Falls Police Department, the City of Wichita Falls Legal Department and the Wichita County District Attorney's Office.

Wichita Falls Police Department Gang Injunction Zones

Organized Crime Unit

The Organized Crime Unit is responsible for narcotics, vice, organized crime investigations and highway interdiction within the city of Wichita Falls. This involves the filing of all the departmental drug related cases, undercover operations, surveillance, reversals, drug buys, and buy-bust types of cases. In addition, they control the prostitution, gambling, and organized crime problems in the city. Members have received highly specialized training in the investigation and handling of labs, and a majority are lab-certified.

Highway Interdiction Component

The goal of the Highway Interdiction Unit is to target and interdict the smuggling of illegal drugs and weapons, etc. into the City of Wichita Falls. The unit also supports the efforts of the Organized Crime Unit by conducting canine searches as needed with K9 Turko and K9 Cobo. K9 Turko has been with the Wichita Falls Police Department since May of 2012. K9 Cobo joined the Wichita Falls Police Department in August of 2014. Since November 2013, the Interdiction Unit has assisted in the seizure of \$41,171.00 in U.S. currency, 33,023

grams of Marijuana, 1,106 grams of Methamphetamine, 641.1 grams of Cocaine, 280 grams of Heroin, 85 grams of Hashish, and 964 grams of Pseudoephedrine pills. The unit has had 157 K9 deployments, and has assisted with 61 narcotics-related arrests.
